DISPLINE POLICY

At Kearns – Saint Ann Early Childhood Center we teach and model to children how to behave in a Christian manner: to do as Jesus would do and to respect self, others, and space.

Children need guidance, rules and limits. Being consistent, giving choices, redirection, and positive reinforcement are some of the ways that we will guide behavior.

Whenever possible, the teacher will use natural consequences in the classroom when a student has misbehaved. Inappropriate conduct will result in consequences. A “Calm down chair/space” is used when an upset child needs time to calm down so the caregiver can talk to the child about their choices, and natural consequence. There is no timer set by the caregiver for this calm down time. When the child feels calm, and can speak and listen to the caregiver in a respectful manner they may rejoin the group.
